SUMMARY

From the moment I've started my transition from my previous career to tech in 2021, I completed the JavaScript Fundamentals course and React Online Marathon at SoftServe IT Academy and plenty of online-courses in Front-end development. Currently, I have several personal studying projects with JavaScript, React, Redux, GatsbyJS, GraphQL.

SKILLS

Skill	Level		Skill	Level
HTML/CSS	●●●●○		Bootstrap	●●●○○
SCSS	●●●●○		Styled Components	●●●●○
JavaScript (ES2015+)	●●●●○		SQL	●●○○○
Git	●●●○○		GatsbyJS	●●●●○
React	●●●○○		GraphQL	●●○○○
Redux	●●●○○			

EXPERIENCE / PROJECTS

My personal projects:

- Portfolio Web Site (GatsbyJS, GraphQL, Styled Components)
- Weather App (React, Redux)
- Personal Budget App (JavaScript)

You can find more information about my projects on my Portfolio website https://ivandanyliuk.gatsbyjs.io/ or on my Github https://github.com/IvanDanyliuk
